LOS NIETOS SCHOOL DISTRICT FACULTY & STAFF

FREE IMMUNIZATIONS AND HEALTH SCREENINGS

PIH Health responds to the health needs of the community by providing primary free and low cost health services at various school, church and community locations to those who need them most: children, the elderly, adults and their families or those who have difficulty accessing care.

- Care Force One offers numerous health services (provided by PIH Health) to assist all members of the community - even if the client does or does not have insurance.
- **Los Nietos School District Faculty/Staff** are welcome to visit Care Force One. A wide variety of services are available and provided in a confidential manner.
- Receive free flu shots, blood pressure, vision, height, weight, BMI, hearing screenings and more!
